What is playgroup?
Playgroup is a group of parents, grandparents and carers with young children who meet regularly.
It is an opportunity for children to learn and develop through play and interaction with other children and adults. Playgroup also allows parents to form social networks and share ideas and information in a relaxed and supportive environment.
Playgroups are community based and families work together to provide a fun experience for children.

Fun activities at playgroup

Children of all ages are welcome and there is a wide range of activities to suit children from babies to children ready for school. Some of the fun things we do are:

- Painting
- Play-dough
- Music
- Dancing
- Books
- Outdoor Play
- Pasting
- Building
- And lots more

Sessions are flexible and activities are arranged to meet the needs and interests of the families attending.

*All parents/caregivers are responsible for the care of the children they bring to the playgroup.

GOALS OF THE PLAYGROUP

- To have a friendly, fun play time for families.
- To have activities for children to learn and develop through play.
- To work together to provide a physically secure and emotionally safe playgroup.
- To share parenting
